Consumables

Quantity

All personal hygiene items should be contained in a reasonably sized caddy (staff discretion) items may include: soap, shampoo, razors, lotion, toothpaste, etc.	1 caddy
--	---------

Food and hygiene items may be purchased through commissary on the TelMate tablets. Limits apply to quantities allowed.

Other items may be possessed in reasonable quantities only and may include items such as: notebooks, stationary, postage stamps (self stick only), pens, batteries, authorized art and hobby craft supplies, shoe shine materials, laundry soap, fabric softener, q-tips, over-the-counter medications (if allowed), etc.

Where quantities are not listed it is assumed a one-month supply is reasonable. The Director will settle any questions concerning the term "reasonable amount".

All residents must note that other DOC facilities may not allow some items and/or items in the quantity allowed at CTS.

Consumable items allowed with residents reporting from non-secure facility (in addition to non-consumables listed above):

All items must be new and unopened:

2 bars of soap or body wash

2 tubes toothpaste; 2 toothbrushes

10 razors; 1 shaving cream

1 shampoo

Prescription and over the counter medications

2 deodorant

1 carton of cigarettes; 5 pkg chewing tobacco; 1 lighter

Other consumables that are sealed and cannot be opened and re-sealed will be considered
